

To: Parents of Seniors 2019-2020

From: Itawamba High School Yearbook Staff
Emily Pate and Natalia Rodriguez, Editors
Tammy Cunningham, Adviser

Subject: senior portraits for IAHS yearbook: *this letter contains important information regarding your child's senior portraits for the yearbook.*

It is very important to us to include every graduating senior in the yearbook, and to do this, we need your help making sure your child's portrait gets to us on time. Please contact your portrait photographer, if you haven't already done so, to make an appointment.

We will need a formal portrait. We need the portrait (tux/black suit black tie for boys and drape for girls) to be an original color digital image (not scanned). We can accept digital images saved on any type media or via email/Dropbox/Google Drive, etc... Your child's portrait should be delivered to us by Thursday, October 31(Halloween), as we have deadlines we must meet in order to produce the yearbook. Also, if you are planning to do a senior ad, you may want to have some senior casual images made to be used in your child's senior tribute. The deadline for senior tributes will also be Thursday, October 31.

If emailing images, please send portrait to
tcunningham@itawambacountyschools.com

Thank you so much for your cooperation.
